

Loose Leaf Collection

Leaf Pickup Guidelines (Nov through Feb)

- ◆ Leaves should be piled behind the curb and sidewalk (not in the gutter or roadside ditch) and should be free of sticks, rocks, and other debris that might damage collection equipment
- ◆ Envirolink cannot go into your yard and pickup yard debris
- ◆ No more than 4 cubic yards per pickup, equal to 1 pickup truck load
- ◆ Do not place your leaves or yard waste in your garbage cart for pickup
- ◆ See the Calendar Page 7 for scheduled pickup days
- ◆ Loose leaf pickup will begin Nov 1 and continue through February 28
- ◆ If you request a special pickup, there will be a charge of \$75 per hour added to your water bill. You must contact the town hall at least 5 business days prior for this to occur
- ◆ Do not place piles under power lines or tree limbs

Correct Placement

Incorrect Placement

Loose Leaf Collection

Loose leaves are collected with a vacuum truck from **November 1—February 28**

Loose leaves must be **behind the curb** not in the gutter where they obstruct drainage.

Leaf piles must be free of limbs, trash and debris.

Throughout the rest of year **(March 1 through October 31)** leaves will be collected but they must be bagged.

Leaf mulch and wood chips pickup

Contact: Town Hall at 252-478-5186. For mulch and wood chip pickup, please leave your name and phone # and Envirolink will contact you when it is ready for pick up. If you would like leaves dropped off at your location, call us with your name & address so we can make necessary arrangements.
